DRAWING NOTES

1. Drawings should not be scaled, refer to figured dimensions only.
2. Drawings are for illustration purposes only and configurations are size specific.
3. All dimensions in millimetres, unless otherwise stated.
4. All dimensions are nominal and may vary within manufacturing or construction tolerances.
5. All site temporary and enabling works by others.
6. Please refer to our installation guidance for further detail.
7. This drawing is intended for guidance only. Confirmation of the information contained within this document should be sought from the consulting engineers before final design or construction activities commence.
